

Perspectives on Leadership Series

Mr. Rob Ozols - Vulcan Solar Power, LLC

Thursday, October 6 | Ferg 3107 | 5:30-6:30pm

In this second session in the series, Rob Ozols, CEO of Vulcan Solar Power, LLC (VSP) will discuss the skills he utilizes as an innovator and entrepreneur developing a market for solar energy in Alabama.

VSP's mission is mission is to provide Alabama and the Southeast with cost-effective and predictable solar power as an alternative to traditional energy sources.

Prior to founding Vulcan Solar Power, Mr. Ozols was a Shareholder at Maynard, Cooper, & Gale, P.C., a full-service law firm based in Birmingham, Alabama. During his 9+ years as a practicing attorney, he specialized in corporate law, real estate, restructuring, and business litigation, and he was involved in a number of traditional and renewable energy transactions.
